

Thank You City of Lansing Voters!

Lansing Park Millage passes with 69% voter approval!

On behalf of the City of Lansing's Department of Parks and Recreation we would like thank the residents for their overwhelming support of the Lansing Park Millage in yesterday's primary election. The Lansing Park millage has been in place for 25 years and has leveraged \$40 million in combined millage, grants and community donations. During that time we have re-opened Crego Park, extended the Lansing River Trail, renovated playgrounds and continued to maintain 114 parks, cemeteries and special use facilities.

Over the next five years the Lansing Park Millage will generate approximately \$10 million dollars to fund capital improvement and maintenance projects for our park system. This money is also used as matching funds for state and federal grant programs. We looked forward to the next five years and continuing to improve our park system. **Thank you again for all of your support!**

Virg Bernero, Mayor
